

### **WSET LEVEL 3 EXAM RESCHEDULING**

Students who wish to reschedule their Level 3 exam and who have requested to do so more than 12 business days before their originally scheduled exam date may do so by purchasing an exam credit for \$50. The exam credit will be valid for 2 years. Students who wish to purchase a Level 3 exam credit should email [info@capitalwineschool.com](mailto:info@capitalwineschool.com) to request an invoice.

Once a student has purchased an exam credit they will receive an email from the Capital Wine School with a promotional code. The student should keep this code on file where it can be easily accessed in order to facilitate exam registration.

When the student is ready to reschedule the exam, they should visit the WSET Level 3 exam section of the website and search for "Exam Only" options. The student should complete the registration process and enter the promotional code when they reach the payment section of the registration process.

Exam credits are not transferable to other events and can only be used once. If a student needs to reschedule again, a new exam credit will need to be purchased.

The above information only applies to students who reschedule more than 12 business days in advance of their exam date. Students who reschedule 12 or fewer business days in advance of their exam date will need to pay full exam fees when they reschedule: \$275 for tasting and theory; \$225 for theory only re-take; \$125 for tasting only re-take. Students who need to pay full exam fees will do so via the registration page for the exam they wish to attend.
